## Department of Management IITM, Janakpuri, New Delhi, India

The Management Department at IITM is committed to academic excellence and professional growth, empowering students to thrive in a dynamic global business environment. With a focus on experiential learning, the department offers hands-on opportunities through field visits, team projects, and educational tours. A diverse and comprehensive pedagogy incorporates case studies, role-plays, group discussions, and simulation workshops to ensure interactive learning. The curriculum emphasizes skill development across various domains, including IT skills (data analytics, technical writing), management skills (leadership, financial analysis), soft skills (communication, teamwork), and thinking skills (creativity, research). Enrichment programs such as personality development workshops, entrepreneurship initiatives, and skill enhancement activities further support holistic student growth. Guided by a “Learning by Doing” philosophy, the department equips students with the adaptability and innovation needed to excel in the global corporate world. Join Us in Shaping the Future! As we come together to explore groundbreaking ideas, exchange knowledge, and inspire innovation, this conference promises to be a transformative experience for all participants. Let us collaborate, connect, and contribute to a brighter, more dynamic future. We look forward to your active participation and insights, ensuring the success of this academic and professional journey. Together, let’s create an impact that resonates beyond the event!
